Welcome to Fun and Abundance By the Sea!

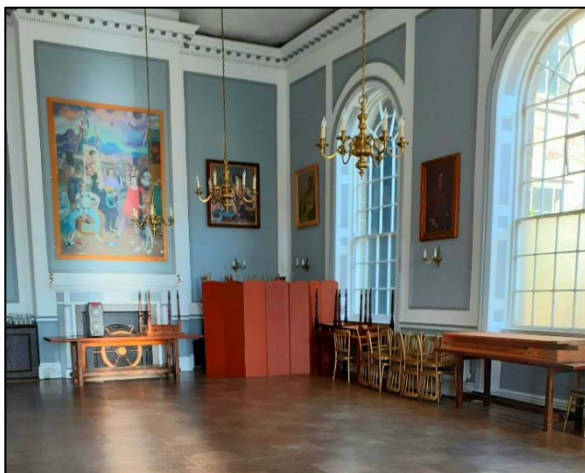

Our weekend workshop in the far west of beautiful Cornwall will be set in the ancient town of Penzance – an area surrounded by fabulous scenery and beautiful beaches.

To assist people who may just want to come down for the weekend, the workshop (a mixture of chairs, sharing, and practical activities) will be from 9.30am to 5pm on the Saturday and 9am to 1pm on Sunday - leaving time to get a train back to e.g. SE England or the Midlands.

We'll be starting with the basics of recovery from debting and work our way towards visions of abundance in our lives – so this is a weekend for wherever you are in your debting recovery.

For those who want to make a long weekend (or week) of it down here, Spring is a lovely time to be in Cornwall and can have early summery weather.

The workshops will be in the famous old Union Hotel in historic Chapel Street - we'll be using both the former Ballroom and associated comfy side room.
